Course Description: A half-mile neutral roll-out leads to a 13.2-mile loop traversing rural areas south of Hillsborough, NC. A number of punchy climbs and open sections subject to winds provide plenty to test the legs of all racers. After the allotted number of laps, riders will leave the race loop for the finishing climb. Fireworks will certainly fly over the last half-mile as the race fields hit a short, steep climb on Grady Brown School Rd. This should be a great course for racers and spectators alike.

Note: Feed zone not open on the first lap or before the finish.

Directions to course:

Take I-85 South (from the east), I-85S/I-40E (from the west) towards Hillsborough, NC. Take exit 164 and turn north onto Old NC 86. Turn Left onto Orange Grove Rd. and then take a R on New Grady Brown School Rd. Parking will be on the left at Grady Brown Elementary School (**not the high school across the street**). If approaching from the south on I-40W, take exit 261 for Old NC 86. Address for GPS: 1100 New Grady Brown School Road, Hillsborough, NC

Note: because of the nature of the staging location, possession and/or consumption of alcohol and tobacco products is strictly prohibited.
